REUSE AND RECYCLING DROP-OFF

Sunday, April 15, 10 a.m.-2 p.m.

Residents are invited to drop off household items for recycling and reuse from 10 a.m. to 2 p.m. on April 15. Over 20 recycling stations hosted by local businesses and organizations will be accepting household items, including clothing, batteries, extension cords, bicycles, electronics, medications, and more. The Reuse/Recycle Drop-off list describes in detail all items that will be collected at Skokie's Spring Greening. Please note that no stains, solvents, cleaning products or pesticides will be accepted. Visit www.swancc.org for information on household hazardous waste drop-off locations. Since the drop-off is drive-through, participants are asked to stay in their cars while volunteers unload recyclables at each station along the route. To help in this process, please box or bag your recyclables separately so items can easily be removed from your car by the volunteers at each stop. The stations will be set up in the order below, with clothing unloaded first and electronics last, so please load your vehicle accordingly.

NO oil-based stains, solvents, cleaning products or pesticides will be accepted. Please visit www.swancc.org for information on household chemical waste drop-off locations.

Please box or bag each type of recyclable separately, so items can easily be removed from your car by volunteers. The stations will be set up in the order below, with clothing unloaded first and electronics last, so please load your vehicle accordingly.

Prom Dresses & Accessories (Dreams Delivered)

Includes new and gently-worn formal dresses appropriate for prom, and accessories including formal shoes, hand bags, sparkly jewelry and wraps.

Clothing & Shoes (Simple Recycling)

Includes all used clothing and shoes in any condition, from reusable to rags.
